PRESIDENT'S MESSAGE

Greg Siwes - Club President

Dandenong West Cricket Club is more than just a cricket club – we're a community built on family, friendship and a shared passion for the game. Our greatest strength has always been our people: our volunteers, players, supporters, sponsors and everyone who proudly wears or supports the maroon and gold.

The past four seasons have been among the most exciting in our club's history. Rising from Turf 3 to Turf 1, together with our Second XI premiership and promotion last season, reflects the commitment, resilience and culture that has been built across every level of our club.

Our 1st XI finished 6th in Turf 1 and narrowly missed finals, but the group has shown they belong at the highest level. With another pre-season together and the leadership of Malinga Bandara as Senior Playing Coach and Riley Siwes as our 1XI Captain, we're confident our best cricket is still ahead of us.

Our ambition extends well beyond results on the field. We're committed to developing our junior program, creating pathways for young cricketers, growing opportunities for women's cricket and ensuring Dandenong West remains a welcoming and inclusive club for everyone.

This season also marks another significant milestone with the completion of our brand-new practice nets alongside Greaves Reserve. This project has been years in the making and is a testament to the dedication of our committee, volunteers and supporters. These facilities will benefit our players for many years to come and represent another investment in the future of our club.

None of what we've achieved would be possible without the incredible people who give their time, energy and support to Dandenong West Cricket Club. Whether you volunteer, coach, play, sponsor or simply cheer us on from the boundary, you are an important part of our journey.

As we look towards the 2026/27 season, we're excited by the opportunities ahead. Together we'll continue building a club that competes strongly, develops great people and creates lifelong memories both on and off the field.

OUR FOCUS FOR 2026/2027

Compete strongly in Turf 1 while building towards sustained finals success.

Continue building depth across all senior grades.

Grow participation through our junior program and community initiatives.

Strengthen partnerships with sponsors and local businesses.

Build one of the DDCA's most inclusive, family-focused clubs, where everyone feels welcome.

We believe the best chapters of Dandenong West Cricket Club are still to come.

Thank you to everyone who continues to support our club. We look forward to another season of growth, success and community as One Club. One Community. One Future.
